

Southwark Arts Network is a collective of primary arts leaders championing creativity, collaboration, community and culture in Southwark.

Our aims:

- ◇ **Build links between primary schools** in our local area for teachers to share good practice, create joint projects and facilitate peer to peer learning opportunities for both pupils and teachers.
- ◇ **Make links between schools and cultural organisations** in Southwark to build partnerships and projects, develop tailored CPD for teachers and workshops for schools.
- ◇ **Celebrate children's work** on a wider platform through an exhibition at London College of Communication

Half termly CPD sessions will include a tour of the host venue, information on the schools programme, practical activities that can be used in the classroom and peer discussions to share best practice.
